

SCHEDULE OF DATES

The Asia Financial Markets Foundation Certificate (AFMFC) course is delivered online according to a schedule of set dates for registrants in each “cohort”:

- **From Weeks 1 to 12**, learning for a specific topic is released each week.
- **Around Weeks 4, 7 and 12** (exact dates and time slots to be confirmed), there will be an interactive Zoom session with an experienced senior market practitioner to complement the online learning. You will be informed of the details at least 2 weeks prior.
- **In Week 13, the Exam is available to complete.** A pass mark of 70% is required to achieve the Certificate.
- **The Course expires 6 months after the start date of Week 1.** You must have completed and passed the Exam by this date to achieve the Certificate.

ASIFMA Education & Training strongly recommends that you learn in accordance with the schedule. The schedule of dates for **Cohort 4** of the AFMFC is below:
